### Notes

Combine rolled oats and buttermilk. Let stand 1 hour in refrigerator.

Add rolled oats and buttermilk to mixer bowl and add eggs, brown sugar, applesauce and oil. Mix 30 seconds. Scrape sides of bowl.

Combine dry ingredients. Add to rolled oats mixture. Mix on low speed only until dry ingredients are moistened. Fold in any optional fruit if desired (ie, raisins, blueberries or other fruit or nuts).

Portion batter with #16 scoop into sprayed or papered muffin pans (2/3 full). Bake at 400 degrees F for 15-20 minutes until toothpick placed in and out of center is not doughy. Remove from pans and serve. If baked a day ahead or leftover, store in covered plastic container or plastic bag.

\* 1 cup dry buttermilk and 5 c. water may be substituted for liquid buttermilk
